### **2. Contractor Davis Bacon Wage Compliance**

Each Contractor and every lower-tier subcontractor and supplier may be required to submit certified payrolls and labor compliance documentation electronically at the discretion of and the manner specified by the Architect.

Electronic submittal shall be a web-based system, accessed on the World Wide Web by a web browser. Each Contractor and subcontractor shall be given a Log-On Identification and password to access the Architect's reporting system.

Use of the system may entail additional data entry of weekly payroll information including; employee identification, labor classification, total hours worked and hours worked on this project, wage and benefit rates paid, etc. The Contractor's payroll and accounting software might be capable of generating a 'comma delimited file' that shall interface with the software.

This requirement shall be 'flowed down' to every lower-tier subcontractor and vendor required to provide labor compliance documentation.
